If there are any errors or omissions, they are unintentional. • We regret that we cannot include in this album, pictures of all those who assisted in the production, publication and distribution of the "News From Home," and those who contributed their time, money and talents to the Album Fund. • We hope the splendid spirit of coöperation and the unity of purpose among all the peoples of Northbridge, which was so evident during the war years, will continue to develop during the peacetime years ahead.
